## 3. ARTISANS' SHOWCASE

This is a juried area on the show floor for limited edition, museum quality, handcrafted, and/or studio produced items. Exhibitors in this area may sell and release their merchandise daily. Space is limited. Order writing is also permitted. Artisans' Showcase is wholesale ONLY. Product mix, per booth, must be a minimum of 70% handcrafted items. The remaining 30% can be items for order writing that may NOT be released at show site.

Booth includes company ID sign, 8' back and 8' side drapes, wastebasket, carpet, two chairs and one 4', 6' or 8' vinyl covered table (not skirted). Electricity, shipping and drayage not included.

## BOOTH ASSIGNMENT

OASIS will assign your booth based on the "best space available" according to the information provided under BOOTH SELECTION CHOICES. What constitutes the "best space available" is at the sole discretion of OASIS. If you are unsure or have questions regarding booth selection, please call the OASIS office. The floor plan layout is contingent on Fire Marshal approval.

If you have less than six points, you should not select prime space surrounding the lounges or the main entrance. ONLY if you are high in seniority point ranking should you select specific booth numbers. Please Note: corners are limited in number and companies with higher seniority points typically reserve them first. If you have less than nine seniority points, it is in your best interest to select large areas or blocks of aisles on the floor plan.

## SENIORITY POINTS

All booth space is assigned in seniority point order. Within each point level, an exhibiting company's space assignment will also be based on the date their completed Space Agreement and deposit are received in the OASIS office. If all of your booth choices are in high-demand areas and these have already been assigned before we get to your company's seniority point level, OASIS will select the best space available for you based upon your booth selection preferences. If all of your choices are unavailable, we will make an attempt to contact you; however, if you are unavailable we will assign the next best space available. We understand exhibiting companies prefer to retain booth positioning; however, there is no guarantee a company will receive the same space each show, due to the seniority point system.

## ARTISANS' SHOWCASE

This is a juried area on the show floor for limited edition, museum quality, handcrafted, and/or studio produced items. Exhibitors in this area may sell and release their merchandise daily. Space is limited. Order writing is also permitted. Artisans' Showcase is wholesale ONLY. Product mix, per booth, must be a minimum of 70% handcrafted items. The remaining 30% can be items for order writing that may NOT be released at show site.

### Jury Process for Artisans' Showcase

- Exhibitors must submit 5 digital images that best represent their product lines. Digital images may be emailed to [ads@oasis.org](mailto:ads@oasis.org). Images must be .jpg or .tif files at 300 DPI. Images may be used for promotional purposes.
- All entries must include a description listing each image by number. With each number, the descriptions must include details of the technique and the material used, the creative process, price point and the original artist's name. The jury will review quality, composition, and originality.
- Slides and photographs will not be accepted. Submissions that do not meet the above requirements will NOT be accepted.
- Decisions of the jury are final and cannot be appealed. Any declined exhibitor will have the option to exhibit on the Main Floor as an order-writing only booth or in Gifts 2 Go, the cash and carry area. Booth assignment will be based on available space at their seniority point level.
- Exhibitors must submit new images, along with descriptions, once they have gone through the jury process three times (three shows).

**IMPORTANT NOTE:** Exhibitors will also be juried on-site. If product at show site is not representative of the images submitted or does not meet OASIS criteria, the exhibiting company will not be permitted to exhibit in Artisans' Showcase for future shows.

## NEW PRODUCT SHOWCASE - \$175

The New Product Showcases are our new product launch pads located in the lobby. These display areas provide exhibitors the opportunity to showcase new products and introduce the latest trends to buyers before they ever enter the show floor. Your merchandise could be their first impression and that kind of exposure is priceless. Space is sold on a first-come, first-paid basis. Minimum space requirement is one shelf although several shelves can be purchased. Shelf dimensions are 18 inches high and 36 inches in diameter. Exhibitors must supply props needed to properly showcase products, i.e., easels, jewelry stand, mounted T-shirts, etc. Exhibitors are responsible for setting up their New Product Showcase during move-in and for dismantling their Showcase during move-out. Exhibitors must supply props needed to properly showcase products; i.e., easels, jewelry stands, mounted T-shirts, etc. Displays cannot include fabric for draping or decoration underneath your product. Tent cards with your company name and booth number will be provided for your items. This is an enclosed display, which allows exhibitors with small or fragile items an opportunity to showcase their items. If your product dimensions are taller than 18", please contact our office to discuss options.

The following are diagrams of empty New Product Showcase tubes, a **five-tube module** (1) and a **single tube module** (2), as well as an example of a **New Product Showcase** (3) display.
